ICANN ASO Address Council

Business As Usual

- 2001 General Assembly meeting held in San Francisco in conjunction with the ARIN meeting, 2002 GA to be held in APNIC region

- Lyman Chapin selected by the ASO for seat on ICANN Board

- Kenny Huang (Taiwan) elected as APNIC AC member 2002-2005

- Observed progress in the establishment of LACNIC and AFRINIC new RIRs.

- Codified Chair and Co-Chair roles on the Address Council, and the policies for electing Council members to these positions

RFC2050

- Discussion started to review RFC 2050 and its current relation to active policy.
  - RFC 2050 documents the IPv4 allocation policies established by IANA and the Regional Internet Registries
  - This review will begin taking place at the RIR meetings and if any new documents are produced, they will be written at the RIR member level
